

## SECOND INDIAN COLLOQUIUM ON MICROPALAEONTOLOGY AND STRATIGRAPHY

The Second Indian Colloquium on Micropalaeontology and Stratigraphy was held in the Department of Geology, University of Lucknow, Lucknow from December 28 to 30, 1972. Contributions from micropalaeontologists and stratigraphers representing various Universities and Research Institutes of India and organisations like the Geological Survey of India, the Oil and Natural Gas Commission and the Institute of Oceanography were received. About sixty research papers dealing with various aspects of micropalaeontology were discussed.

The Proceedings of the Colloquium are likely to be printed by the end of December 1973. The cost of the volume including packing and postage would be Rs. 100/- in India and \$ 15.00 for foreign countries. As only a limited number of copies of the proceedings would be printed, individuals and institutions, who desire to have a copy may kindly get the same reserved by writing to:
